Gram Swashasan Abhiyan: Gram Swashasan Abhiyan is started at Palamu sub division level by network partner Multi Art Association, Vedic Society, Vikas Sahyog Kendra, Mahila Samagra Utthan Samiti to strengthen Gram Sabha and traditional practices in schedule area so that they may access their rights of Gram sabha and participate in planning, implementation and monitoring of all social security schemes and village development . The campaign will be spread in Santhal Pargana and Kolhan region by network partner. The campaign is supported by Azim Premji Foundation. The objectives of this campaign are to establish Gram Sabha a model at state and national level which can be replicated in other areas.

Strengthening Gram Sabha and Self governance: The organisation believes that implementation of PESA in schedule area is one of the major instruments of community empowerment through strengthening gram sabha. The organisation has worked continuously to aware community about the provisions of PESA and continuation of traditional practices in schedule areas.

NREGA Help Centre: The organisation has been working to ensure right to work of marginalised community of society through MNREGA. Through CFT project of rural development department it has tried to ensure smooth implementation and the monitoring of schemes in its area of operation in Manika and Barwadih block of Latehar. Besides the organization is also supporting community through NREGA help centre in these blocks which act as link between the administration and the NREGA workers which help in addressing their grievance. At present 13 NREGA Help centre is being run by Multi Art Association by support of UUHIP.

Forest Right Act: The organisation is also working to ensure the forest right of tribal community through gram sabha in Palamu, Latehar and Garhwa district. Organization is working on the forest right in the 22 villages of Bargarh block of Garhwa, 81 villages in Barwadih block of Latehar district and 81 villages in Manika block of Latehar district with the help of **Global Greengrant Fund** and Jharkhand Van Adhikar Manch where it has helped the tribal and other forest dwellers in claiming their community forest right It has also helped in the formation of **Van Adhikar Samiti** .It has helped in establishing community ownership over the minor forest produce which has increased the livelihood of the poor. 44 CFR and 1638 claim generated in Latehar and Garhwa block of Jharkhand and claims have been submitted in SDLC in Garhwa and Latehar district.

Right to Food: The organisation has been working continuously to ensure right to food of poor and marginalised through monitoring of implementation and creating awareness about the provisions of National Food Security Act 2013 in the operational areas. The organisation has also helped in policy intervention by building public pressure and helping research and study in the operational area.

Promotion of Livelihood: Organisation is also working to strengthen the livelihood of community. In CFT-MNREGA project it is working on mango plantation project. Along with mango plantation it is also working on intercropping. Organisation is also working to promote Lac production and seed village.

Women empowerment and gender equity: The organisation is also working towards women empowerment and gender equity. With AALI (Association for advocacy and legal initiative) the organisation is working for addressing women's issue through right based perspective. The organisation tries to provide legal aid to women, especially those from marginalised and deprived communities, who are victim of domestic violence, trafficking, witch hunting etc. Organisation has also worked for promotion of gender equity and women empowerment in Daltonganj through Young Women Leadership Program (YWLP) in association with FAT(Feminist Approach to Technology). In this project young girls from marginalised community were given training in Information technology. They were trained in operating computer and other software skill. Besides the project also involved various workshops and field work which gave the young women opportunity to learn the value of gender equity and understanding and dealing with patriarchy.
